Our Story

Every garment begins long
before the first stitch.

Established -
2007

Specialization -
Knitwear

Export Markets -
Europe & USA

Facility -
65,000 sq. ft.

From everyday basics to fashion driven collections, we produce garments that meet the highest standards of quality, reliability and craftsmanship.

Why Moderno

Built around the needs of modern brands—from fabric to finished garment.

In-House Manufacturing

Dyeing, finishing and garment production under one roof

Fabric Expertise

Every great garment begins with premium fabrics

Quality Assurance

Every stage is carefully inspected & quality is ensured

Flexible Partnership

Responsive production with close customer collaboration.
